Master of Science in Speech Language Sciences (MSc) Application

Important notes:

Please PRINT CLEARLY. To ensure that your application is processed efficiently and to ensure that we can contact you, it is essential that we can accurately interpret the information you supply, particularly your name, email and postal address details.

All sections must be completed.

Applications which are incomplete are not able to be processed. Therefore, please ensure you provide all required documentation. This includes all transcript degree certificates for university level study undertaken (other than from the University of Canterbury). Academic documents must be originals or certified true copies. Faxed, scanned or emailed documents will not be accepted as original or certified copies.

International students – apply as early as possible to give yourself maximum preparation time for visa, fee payment, travel and accommodation arrangements.

Recommendations

Please arrange for the two recommendation/referee forms that are included with this application to be completed and submitted directly by each referee

Provide the names of the referees involved and email addresses:

1. Name _____ Email _____
2. Name _____ Email _____

Area of interest

Admission to the MSc requires that you first identify a staff member in the School of Psychology, Speech & Hearing to supervise your research.

Please state the staff member's name _____

If you have not done this, you may select from the list below two or more areas of interest, numbered in order of preference to provide an indication of your intentions. However, you must contact appropriate staff members to discuss your admission prerequisites. Dr Huckabee can assist you with this step.
